UHRC,

Pls read below.

I notified Athens CD1 would submit to UHRC.

However, its my understanding the haulers should be reporting this to LASAN who manages the contracts who would then route to UHRC. If not it seems like the natural protocol.

Your assistance is appreciated.

Hello, Hugo and Jose,

I hope this email finds you well – I am writing to you in hopes that you will be able to assist us in addressing your constituents concern with issues of trash/recycling service due to the encampments. As shown in the photo below, Athens has been having issues accessing the customers bins for service due to the encampments.
